

Linda Strand ~ Board Member, Friends of San Marcos Parks & Recreation

CEO / President, Independent Energy Solutions, Inc

Ms. Strand is the founder of IES and is responsible for business development, administration, community outreach, public relations and strategic planning. She has over 30 years experience in business development and environmental and natural resources management including organizations such as General Dynamics and the California State Department of Parks and Recreation.

She is highly involved in numerous business and philanthropic organizations and has co-chaired many women's business leadership programs. Since starting IES in 1998, Linda has led the company through 15 years of sustained consecutive growth. Strand holds a BS in natural resource management from California State University, Sacramento with post-graduate work at California State University, Fullerton.
